ABSTRACT

This "Catalog of ERIC Clearinghouse Publications" highlights more than 1,100 education publications prepared by the Educational Resources Information Center (ERIC) system. The titles are arranged by ERIC component and cover a broad range of subject areas in education. The major ERIC publication types include: parent brochures; directories and resource guides; ERIC Digests; ERIC Monographs/Reports; and searches and annotated bibliographies. The Catalog provides ordering information and prices and includes a subject index to help locate publications in specific areas of interest. The subject index also lists appropriate ERIC Clearinghouse or support component to order publications. A list of addresses, telephone numbers and Internet addresses for specific Clearinghouses is provided. (AEF)

Introduction

The 1998 *Catalog of ERIC Clearinghouse Publications* highlights more than 1,100 available education titles produced directly by the Educational Resources Information Center (ERIC) system. The titles are arranged by ERIC component and cover a broad range of subject areas. The *Catalog* provides ordering information and prices for each title and includes a subject index to help you locate publications in your area of interest quickly. The subject index also lists the appropriate ERIC Clearinghouse or support component from which to order each publication. Addresses, telephone numbers, and Internet addresses for specific clearinghouses are displayed on the inside front cover.

To order publications, complete the order form that follows the subject index and mail it to the appropriate ERIC component, or call, fax, or e-mail the component directly. Please note that prices and supplies listed in the *Catalog* are subject to change. For the most up-to-date information, call the appropriate component.

The *Catalog* is published by the Educational Resources Information Center (ERIC), a nationwide information system sponsored by the U.S. Department of Education's Office of Educational Research and Improvement (OERI). As part of the National Library of Education (NLE), ERIC maintains the largest education database in the world, containing almost 1 million bibliographic records of documents and journal articles. Since 1966, ERIC has provided users with ready access to this literature by collecting, analyzing, and distributing education information from local, state, federal, and international sources. The ERIC database is accessible on the Internet *(http://www.aspensys.com/eric)*, through commercial online vendors, on CD-ROM, and in print and microfiche indexes. For further information about ERIC or its products and services, call ACCESS ERIC at 1-800-LET-ERIC (538-3742).
